Stick around.

One of the best things about growing up in this area is that you never have to leave it. Because its economy is growing by leaps and bounds, producing new job opportunities in both business and agriculture. Too, you'll find technical and higher education facilities second to none. So, come graduation time, stick around. You won't find a better place to live, work and play.

I love you and continue to love you a little more each day that goes by. May God always be with you & bless you, and I hope that we will have a very good life together. I am sure that we can make it, but we will have to work hard. It will be worth every bit of it.

You wanted me to write this page out but I am running out of words. All I really have to say is that I have never seen anyone as sweet as you in my whole life and I love you with all of my heart and I always will no matter what.

Fort,

4-11-69

Well I just don't know where to begin. There's so much I could say, but I'm not. I know I'll never forget all the good times we had together. Remember that money? Boy, you sure can get people in a bunch of trouble! Remember walking to the P.O. & Cafe everyday? Our "fans" truck drivers. Watching late shows, eating potato chips, sandwiches and drinking Cokes.

Remember "Moons" your daddy & his liquor? We sure have had some good times haven't we? Sneaking off and going places when we weren't supposed to?

Remember the Coke Plant (Danville)? When Sonny came down there & I wasn't supposed to see him. We sure have had some good times when we would go to town. (your checked watch). When we used to go riding in town. Remember when I drove?

Now, we feel in love. You still love and have your man. But I found the truth out about mine and got rid of him. I hope you'll always be happy with Ronn and I hope all of dreams & plans come to reality.

Nancy you've been a great friend & I hope you'll continue to be.

Oh yes, Remember our trips to Duke? Boy I never forget them.

Well Fort you just remember if you ever need anything or you have any problems, I'll do my best to help you solve them.

Be good Nancy, May God Bless you and Ronnie always and I hope you'll always be happy.
